Mel Gibson Helen Hunt

What Women Want

He has the power to hear everything women are thinking.

Finally...a man is listening.

raising standards, improving outcomes, promoting excellence in health and care

What Commissioners want

A session exploring the art and science of commissioning and what it means for us today.

A conductor...

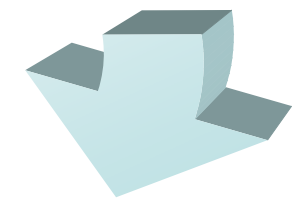

raising standards, improving outcomes, promoting excellence in health and care

Review

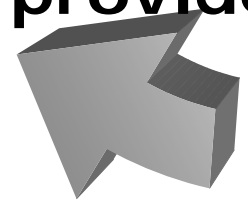

Commissioning is a cycle or a process...

Planning to meet outcomes

Services being provided

Re/Design service

Out to Market

raising standards, improving outcomes, promoting excellence in health and care

We have spent time trying to
understand commissioners...now
it's our turn!

Understanding what you do
– the importance of Evaluation.
